Re: Request of Waiver – Form 470 & 471

Ref: CC Docket No. 96-45 and CC Docket No. 02-6

Dear FCC,

I am requesting a waiver of deadline for the Form 470 & Form 471. I am rather new to this position at our school and just yesterday became aware of this program through our national school association ACSI. We are a small non-profit K-12 private school and would greatly benefit from this possible discount. We are facing a budgetary shortfall this year and need all the help we can find to help us close the funding gap for the coming school year.
